

Cambridgeshire Chess Championship 2017-18

In the 2017-18 season, the Girls' Chess Initiative joined. This was the first time a non-school was permitted entry to the league, their two teams being made up of girls from around the county who are not associated with a school already in the league. The Steiner School at Sancton Wood re-joined, having sat out the 2016-17 season due to a shortage of players. Meridian were the only school to depart the league.

This was the closest championship ever, with Steiner School winning the title in the final game to edge out St Faith's by just half a point! King's Cambridge's supremacy came to an end and they could only finish fourth behind the Girls' Chess Initiative.
